What are the Open Calls about?

XR4ED, a pioneering initiative aimed at revolutionizing education through extended reality (XR) technologies, is thrilled to announce the launch of its Open Call for Developers and Pilots. The call, which commenced on May 1, 2024, invites innovators to contribute to the establishment of a leading platform for learning and training with XR.

Call closes 3 July 2024 (17h00 CEST)

" With a total funding pool of **€4.6 million, t**he program aims **to support 20 projects**, 10 in each call category "

The XR4ED Open Call and respective funding programme aims to catalyze innovation and excellence in XR technologies for education while providing financial and technical support to start-ups, SMEs, industry players, and education-focused actors. The programme has a dual focus: fostering innovation and supporting the
